Sign In page

The image shows a mobile app sign-in screen with a car icon and a 'P' badge. It includes input fields for 'Username' and 'Password', a 'Sign In' button, and links for 'New User' and 'Forgot Password?'. Below these are social login options for 'Google' and 'Facebook', and a link to 'Continue Without An Account'.

Annotations with arrows point to the following elements:

- Sign Up button (New User)
- Sign In button
- Forgot Password? link
- Google button
- Facebook button
- Continue Without An Account link

Sign Up page

Input username (email address) and password for new account registration

Press to return to Sign In page

Press to direct to google applications installed on the phone such as Chrome or Gmail

The image shows a mobile app sign-up screen with a car icon at the top. Below the icon are three input fields labeled 'Username', 'Password', and 'Confirm Password'. There is an 'Existing User' link below the password field. A 'Sign Up' button is centered below the inputs. Below the button is a separator line with the text 'OR COTINUE WITH'. At the bottom are two buttons for 'Google' and 'Facebook'. A link 'Continue Without An Account' is at the very bottom. Orange arrows point from external text labels to specific UI elements: from the first label to the Username and Password fields; from the second label to the Existing User link; from the third label to the Google button; from the fourth label to the Confirm Password field; from the fifth label to the Sign Up button; and from the sixth label to the Facebook button.

Current Location & Nearby Carpark

Singapore Carpark & Availability

Press to sign out or sign in

If user's current location is not detected, the application will display all the number of available parking lots for carpark across the whole Singapore

Search Location

Return to previous page

User can manually search location by entering full address name or postal code to check out the nearby parking lot vacancies.

The image shows a mobile application interface for searching parking locations. At the top, there is a search bar with a back arrow on the left, the placeholder text "Input Location", and a magnifying glass icon on the right. Below the search bar, there is a list of recent search results. The first result is "Singapore Botanic Gardens" with the address "1 Cluny Road, Singapore 259569". The second result is "Marina Bay Sands" with the address "10 Bayfront Avenue, Singapore 018956". Each result has a circular icon with a clock and a location pin on the left, and a red location pin icon on the right. Arrows from external text labels point to these elements: one to the back arrow, one to the search bar, and two to the location pin icons in the search results.

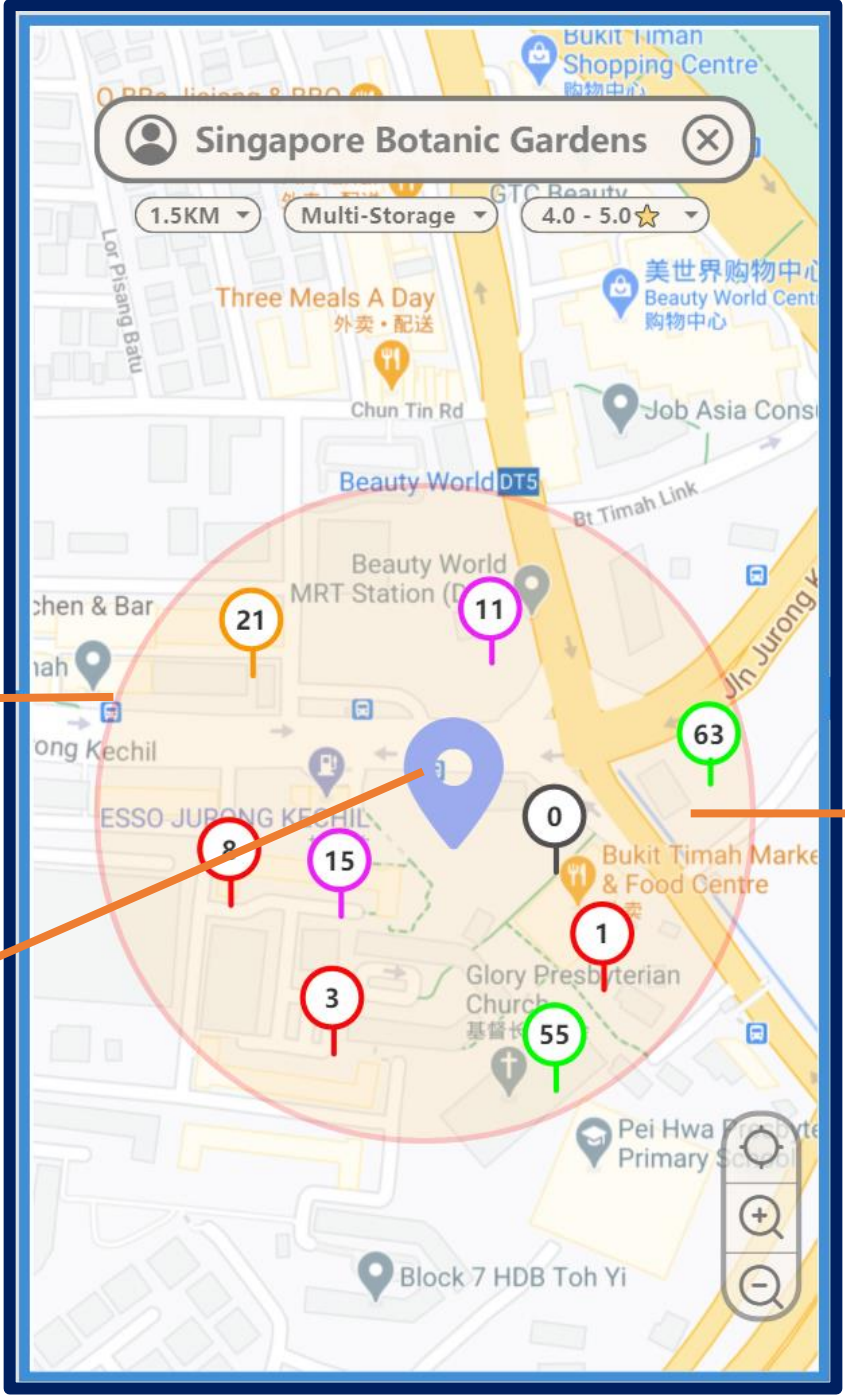

Location	Address
Singapore Botanic Gardens	1 Cluny Road, Singapore 259569
Marina Bay Sands	10 Bayfront Avenue, Singapore 018956

Press to select the recent search location
